2026 Service Rates

Boarding Options:

FULL CARE BOARD- \$1200.00/mo

Full Care Board includes stall cleaning, feeding, water, blanket changes, and turnout. During the summer and fall months, horses are turned out at night and brought in during the day. During the colder winter months, horses are turned out during the day and brought in at night. Special arrangements can be made for a private paddock for your horse for an additional \$60/mo. Your horse's farrier, vaccination, dental, and worming records are kept up-to-date and supplies such as shampoos/ointments/fly spray etc. are all included in this rate. There will be additional fees for supplements, lessons, farrier, dental, veterinary, and therapeutic care. Blankets and tack are not included in this rate and are to be provided by the owner.

TRAINING BOARD- \$1750.00/mo

Training Board includes all of the features of Full Care in addition to a combination of lessons and/or professional training, grooming, private turnout if necessary and a quality feeding program. Training horses may receive at most 6 rides a week. All grooming needs are included in this package as well as lessons.

Show fees, mane pulling and trims full body clipping, veterinary, farrier, supplements and therapeutic care will be in addition to this board rate.
